PROGRAM DESCRIPTION:

The **Certificate in Business English Communication** provides learners with an overview of business English, international business practices and business management. Instruction focuses on the practical and necessary skills needed for successful English communication in the contemporary workplace as well as strengthening business writing, presentation, meeting and negotiation, and listening skills. Through this program, students will gain skills for communicating effectively in a competitive 21st century global market place.

Topics include:

- Doing business across cultures
- Motivation, leadership and team building
- Effective communication techniques
- Soft skills such as telephone English, presentations, and job interviewing
- Building essential business vocabulary and expressions

This popular 2 or 3-hour class provides an intensive language immersion and an excellent opportunity to improve your business English skills quickly.

PROGRAM LEVELS:

After 60-hours of study, student are given a progress check, which includes:

- **an oral assessment (60%)**
- **grammar, reading, listening and vocabulary (40%).**

"The course opened a new horizons of learning for me. It gave me a different perspective of Business English training. The skills I've picked up will, I believe, contribute substantially to any future success I might have as a trainer in the corporate world. I thought, as a trainer, I had all the necessary skills. As the course progressed, I realized how much I didn't know!"
